

Satyam Shah serves as Vice President of Operations for Manhattan Mini Storage (MMS) where he has worked for the past 12 years. Manhattan Mini Storage is an owner-operator with over 50,000 units across 17 locations in New York City.

Satyam began his career at MMS as a Storage Associate and worked his way up to his current role. He's very proud to have had his team and himself recognized in a feature story about management and leadership in the January 2020 issue of SSA Magazine. Satyam has degrees in Finance and Philosophy from Boston College.
