

Steve is a co-founding principal at CCM Commercial Mortgage, the premier mortgage brokerage firm serving the self-storage industry. Steve specializes in arranging debt and equity solutions focused on the acquisition, development, refinance and recapitalization of self-storage and many other commercial real estate asset-types. Steve has over 28 years of experience in the self-storage industry and has arranged well over \$4 billion of self-storage and commercial real estate financing.

Steve's experience in the commercial real estate industry includes direct lending, mortgage banking, investment, development, commercial real estate advisory services and loan work-out services. Having in-depth understanding of many sides of each transaction has given Steve the perspective necessary to excel as a trusted advisor to and advocate for his clients.

Steve is a graduate of the Gies College of Business at the University of Illinois, has published several self-storage industry financing articles and actively participates in many local and national self-storage and real estate industry organizations.
