

Brandon Togashi
Executive Vice President and Chief Financial Officer

As our Executive Vice President and Chief Financial Officer, Brandon S. Togashi oversees all financial functions for the Company including treasury, capital markets, accounting, taxation, investor relations, and internal audit. Prior to his appointment as our CFO, Brandon served as our Chief Accounting Officer beginning in January 2017, and previous to that served as our Vice President and Controller since joining the Company in December 2014.

Previously, he served as Vice President of Corporate Accounting at DCT Industrial Trust, a publicly-traded industrial REIT, and Senior Manager at KPMG in the accounting firm's audit and advisory practice.

Brandon holds a Bachelor of Science in Business Administration from Colorado State University and is a Certified Public Accountant.
