

Zach Dickens, Executive Vice President and Chief Investment Officer

Zach Dickens has been with Extra Space Storage since 2002. He has served in various roles in the real estate department beginning as an analyst to his present role as Chief Investment Officer for the company. Having closed over \$5 billion in real estate transactions during his tenure, Mr. Dickens has been instrumental in structuring transactions with Extra Space Storage's partners and growing the company's bridge lending program. Prior to joining Extra Space Storage, Mr. Dickens oversaw a technical support team at eBay where he worked in the Half.com unit. Mr. Dickens has a Master of International Management from Thunderbird School of Global Management, has an M.B.A from Arizona State University and a bachelors in Russian Language from the University of Utah.
